THE MANAGING DIRECTOR'S COMMUNIQUE'

It takes a lifetime to create good will. In my 30 years of professional experience, I enjoy a good working relationship with all my clients. Probably, it is their blessings for my hard work.

I sincerely believe in team effort, transparency and dedication in my approach to understand the best needs of my valued clients and consistently retaining them, by meeting their needs in a time-bound manner, by deploying quality candidates.

Manpower management and deployment organizations are the ones that require great expertise, perseverance and diligent efforts. We, at Aims International, have been consistent in doing exactly the same since 1991.

Communication and Co-operation has been our forte'. We specialize in finding the right people to meet our client's specific requirements. With a dedicated HR team spread all over India, we have

been engaged in providing manpower services to internationally reputed clients as well. Our philosophy is to provide unique recruitment and staffing services in a hassle-free manner.

Decades of recruitment and staffing experience has helped us evolve new smarter ideas to ensure that we create the perfect fit that makes individuals, companies and industries flourish. We are a trusted firm which effectively balances the needs of the individuals as well as the organizations, aiming to provide a professional and positive experience to all the parties concerned.

We look forward to a future of continuous growth, development and success. As we march ahead bravely into a new millennium, we propel ourselves forward with the dedicated spirit of co-operation and great service.

OUR SPECIALITIES

At Aims International, our ultimate goal is to build a world where the gap between candidate and client is bridged permanently. For the purpose of manpower recruitment, we employ our business talents and strengths consistently, utilizing crucial contacts and harboring their trust to sustain business relationships. Regular visits and constant communication with our clients and associates is a vital part of business development, a feat that we owe to our experienced managers.

Here's a quick rundown of our services:

A. INTERNATIONAL RECRUITMENT

As a leading recruitment provider company in India for over two decades, we have earned a growing reputation for providing exceptional recruitment services to local and international clients. India is an ever-growing goldmine of professionals for multinational companies in the Middle East, with professional talent budding in every region.

While our operational headquarters remain in the country, our network of branches has readily expanded to include regions across the subcontinent, UAE and Africa. We take pride in being a licensed international organization, and strictly adhere to government regulated laws of the country, operating in India & abroad.

B. DATABASE SELECTION

In times of global competition and economic instability threatening to change industrial demands with alarming speed, a helping hand really counts. Aims International relieves your workload by performing thorough data assessment to sift through the noise of complexity, offering you a manageable database with tons of prospective candidates.

C. ADVERTISING & SELECTION

Owing to vast industry experience, we always advertise to reach our target audience with the least cumulative coverage cost. We regularly advertise by press, print and digital media to seek out talented recruits, and also use job portals to make job postings.

D. PSYCHOMETRIC TESTING

Mental and behavioural health of employees is an absolute priority for us and our clients. Although there is no gold standard to evaluate behaviour, we require all candidates to undergo psychometric testing to evaluate them and determine their position at their prospective employing company.

E. TRADE TESTING

For clients wishing to gain a technical assessment of their prospective new employees, we conduct trade testing of the chosen candidates at licensed trade centres. This service extends to trades such as welders, fabricators, fitters, masons, etc.
